Report of Principal and School Improvement Council

The vision of Greenwood High School is to educate today's students for tomorrow's possibilities. The mission of Greenwood High School is to educate all students to become responsible, productive citizens, and life-long learners. We believe that education is the joint responsibility of students, family, school, and community. We create a positive school environment by celebrating school successes. Students are recognized regularly for success in academics, athletics and the arts. We recognize achievement through the school web page, daily announcements, the local newspaper, awards programs, and positive behavior recognition days. Students are provided with an equitable balance between teamwork and individualism as shown by high accomplishments in academics, arts and athletics. Students are given ample opportunities to excel. As classroom numbers increase, there are still maximum opportunities for individuals to succeed. Students participate in extracurricular activities which helps build relationships and improve student involvement in school. A strong and effective faculty and staff, along with parent/guardian support are essential for educational success. Teachers follow standards-based curricula in content areas. Students achieve success at appropriate instructional levels through high expectations. Faculty members recognize, respect, and address students' diverse learning styles through individual, small group, and whole group instruction. Students benefit from the consistent application of school policy. A safe and secure school environment encourages students to practice tolerance and to act responsibly. The students and staff of Greenwood High School have many accomplishments. Mrs. Leigh Addis will serve as the GHS 2013-2014 Teacher of the Year. On June 7, 2013, 234 seniors graduated from GHS. Several students attended nine college trips to the following institutions: Clemson University, College of Charleston, Furman University, Lander University, Morehouse College, Newberry College, The Citadel, Tri-County Technical College, and The University of South Carolina. Eagle Time Advisor/Advisee sessions were held bi-monthly to assist students with academic awareness, standardized tests, and college and career exploration. GHS continues to foster a college-going-culture by engaging our students in Career Academics, AVID, and PBIS. College Application Day was held on October 11. Students attended a College Day on October 30. Lander University and Piedmont Tech participated in Open House, New Eagle Night, Op-Ed Event, and Graduation Practice at GHS. ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
